

On June 20, 2018, we held our 3<sup>rd</sup> Annual Fundraising Event at the Brighton Marine Health Center. Community partners came together to support the work the Task Force does to promote healthy decision making among youth in Allston-Brighton.

Maria Dichiappari, Director of the Boston College Neighborhood Center, was honored as the 2018 ABSATF Community Champion.

We heard special remarks from Boston City Councilor-Anne George, who emphasized the importance of prevention and the role of the Task Force
